CIRCUS STORY

As a child, I always felt that the circus was a place hidden beyond the ordinary world.

At dusk, the tall striped tent would appear in the distance, its colorful flags gently swaying in the breeze. Cheerful music drifted from the entrance as people slowly gathered, while the sweet smell of popcorn filled the air. The moment the lights came on, the quiet evening suddenly came alive.

Inside the tent, everyone waited for the next surprise. Little animals crossed the stage, performers stepped into the spotlight to the rhythm of the music, and laughter and applause filled the air. With their playful costumes, vibrant colors, and charming characters, they seemed to turn an ordinary day into a little adventure.
